

PocketBook®

Obreey®

Release Notes

PocketBook Color Lux

FW Version	4.1.915
Localization	Europe
Developed by	Obreey Products

October, 25 2013

Implemented:

1. Added boot logo, displayed during the device starts.

Fixed:

1. Sometimes events of the sensor panel were lost.
2. The device might hang out when several dialogues were displayed simultaneously.
